About Us

HackUNT is a completely student run, non-profit event aiming to bring together creative minds to make great things. With over 300 registrants last year, we expect to attract many talented college students and for the projects to be better than ever!

Why should you be a Sponsor?

Hackathon participants are motivated and energetic about their work. So much so that they sacrifice a weekend of sleep for it. Sponsoring a hackathon is a unique way to interact with some of the brightest students in Computer Science, Business, and Engineering. As a sponsor, you can have face-to-face interaction with hundreds of top students along with access to their resumes. By sponsoring HackUNT, you can introduce your product to participants and encourage them to use it by offering a related prize.

Your support as a sponsor for HackUNT will help every aspect of the event. Contributions from sponsors go towards the costs of student transportation, the venue, food, t-shirts, staffing, and many, many other things that make a hackathon successful and exciting.

We hope you take a look at the sponsorship packages below and decide to be a part of HackUNT!

Sponsorship Packages

In addition to sponsorship money, we also strongly encourage these contributions:
- **Swag**: Build your brand with shirts, stickers, water bottles, shades, and more
- **Prizes**: Promote your mission with your own prize categories
- **Engineers**: Spread your culture by mentoring the participants and guiding their experience with your APIs

Please contact us at **officialhackunt@gmail.com** if you are interested and want to discuss a particular sponsorship package.
